HERE ARE SOME OF THE FUN OPPORTUNITIES:

Frequently Asked questions:

Will I be in charge of the activity I signed up for?

No. We are only asking for help. If you would however like to take it on, then yes.

How will I know if I am to show up for something I signed up for?

I always start by contacting volunteers by email. It is the fastest way for me to get a hold of a large number of people. I wait for a response and then I will let you know all the details. If you don't hear from me, you're off the hook this time. I start calling only if I am running short on help.

I don't use email. I still want to help though. Will you call me?

I will! But I will start my calling after my emails. I do end up making a few calls almost every time and we DO need your help. So please sign up even if you don't have email.

Will I have fun?

YES! We have a great group of parents, staff and kids to work with.
